## Registration

Since the 2009 summer semester, all students have been required to register for their courses online through the JOGU-StIne website.

Unless stated otherwise, the following registration phases apply:

**Campus Mainz: Course registration phases for summer semester 2013:**

**General main registration phase:**

Monday, 21 January 2013 (1:00 pm.) – Thursday, 7 February 2013 (1:00 pm)

**Second registration phase** (especially for freshman students, subject changers and university changers):

Thursday, 4 April 2013 (1:00 pm) – Thursday, 11 April 2013 (1:00 pm).

Students of higher semesters may also re-register for courses during this phase.

**Third registration phase** (assigning final places):

Monday, 15 April 2013 (1:00 pm) – Friday, 19 April 2013 (1:00 pm.)

Free places will only be assigned on the spot during this final phase ("first come first served").

Please note that **different registration phases** may apply to specific programs and subjects. Further information is available at <http://www.info.jogustine.uni-mainz.de/127.php> and from your student advising office.

To ensure that the procedure is as fair as possible, places in courses with **restricted admission** will no longer be allocated on a 12:58 05.07.2012 "first come first served" basis; anyone interested in participating can register at any time during the registration phase. Places will be allocated after the registration period has expired in accordance with the "Richtlinien über den Zugang zu teilnahmebeschränkten Lehrveranstaltungen" (Directive on access to study courses with restricted admission) passed by the university senate on 7 March 2007 (<http://www.uni-mainz.de/studlehr/1821.php>).

**Campus Germersheim: Course registration phases for summer semester 2013:**

**General main registration phase:**

Monday, 11 March 2013 (1:00 pm.) – Friday, 22 March 2013 (1:00 pm.)

**Second registration phase** (especially for freshman students, subject changers and university changers):

## Courses

During the registration phase you can register and cancel your participation in courses in the **"Course registration"** area. This is only possible during the periods defined under the "Registration" menu item. Freshman students, university changers and subject changers who were unable to register during the **registration phase** should contact their Studienbüro.

Please note that merely registering for a course does not necessarily mean you have been admitted. A system message telling you whether or not you have been admitted to specific courses will be sent to your JOGU-StIne system mailbox after the corresponding registration phase has expired. You can also check your registration status at any time under **"Registration status"**.

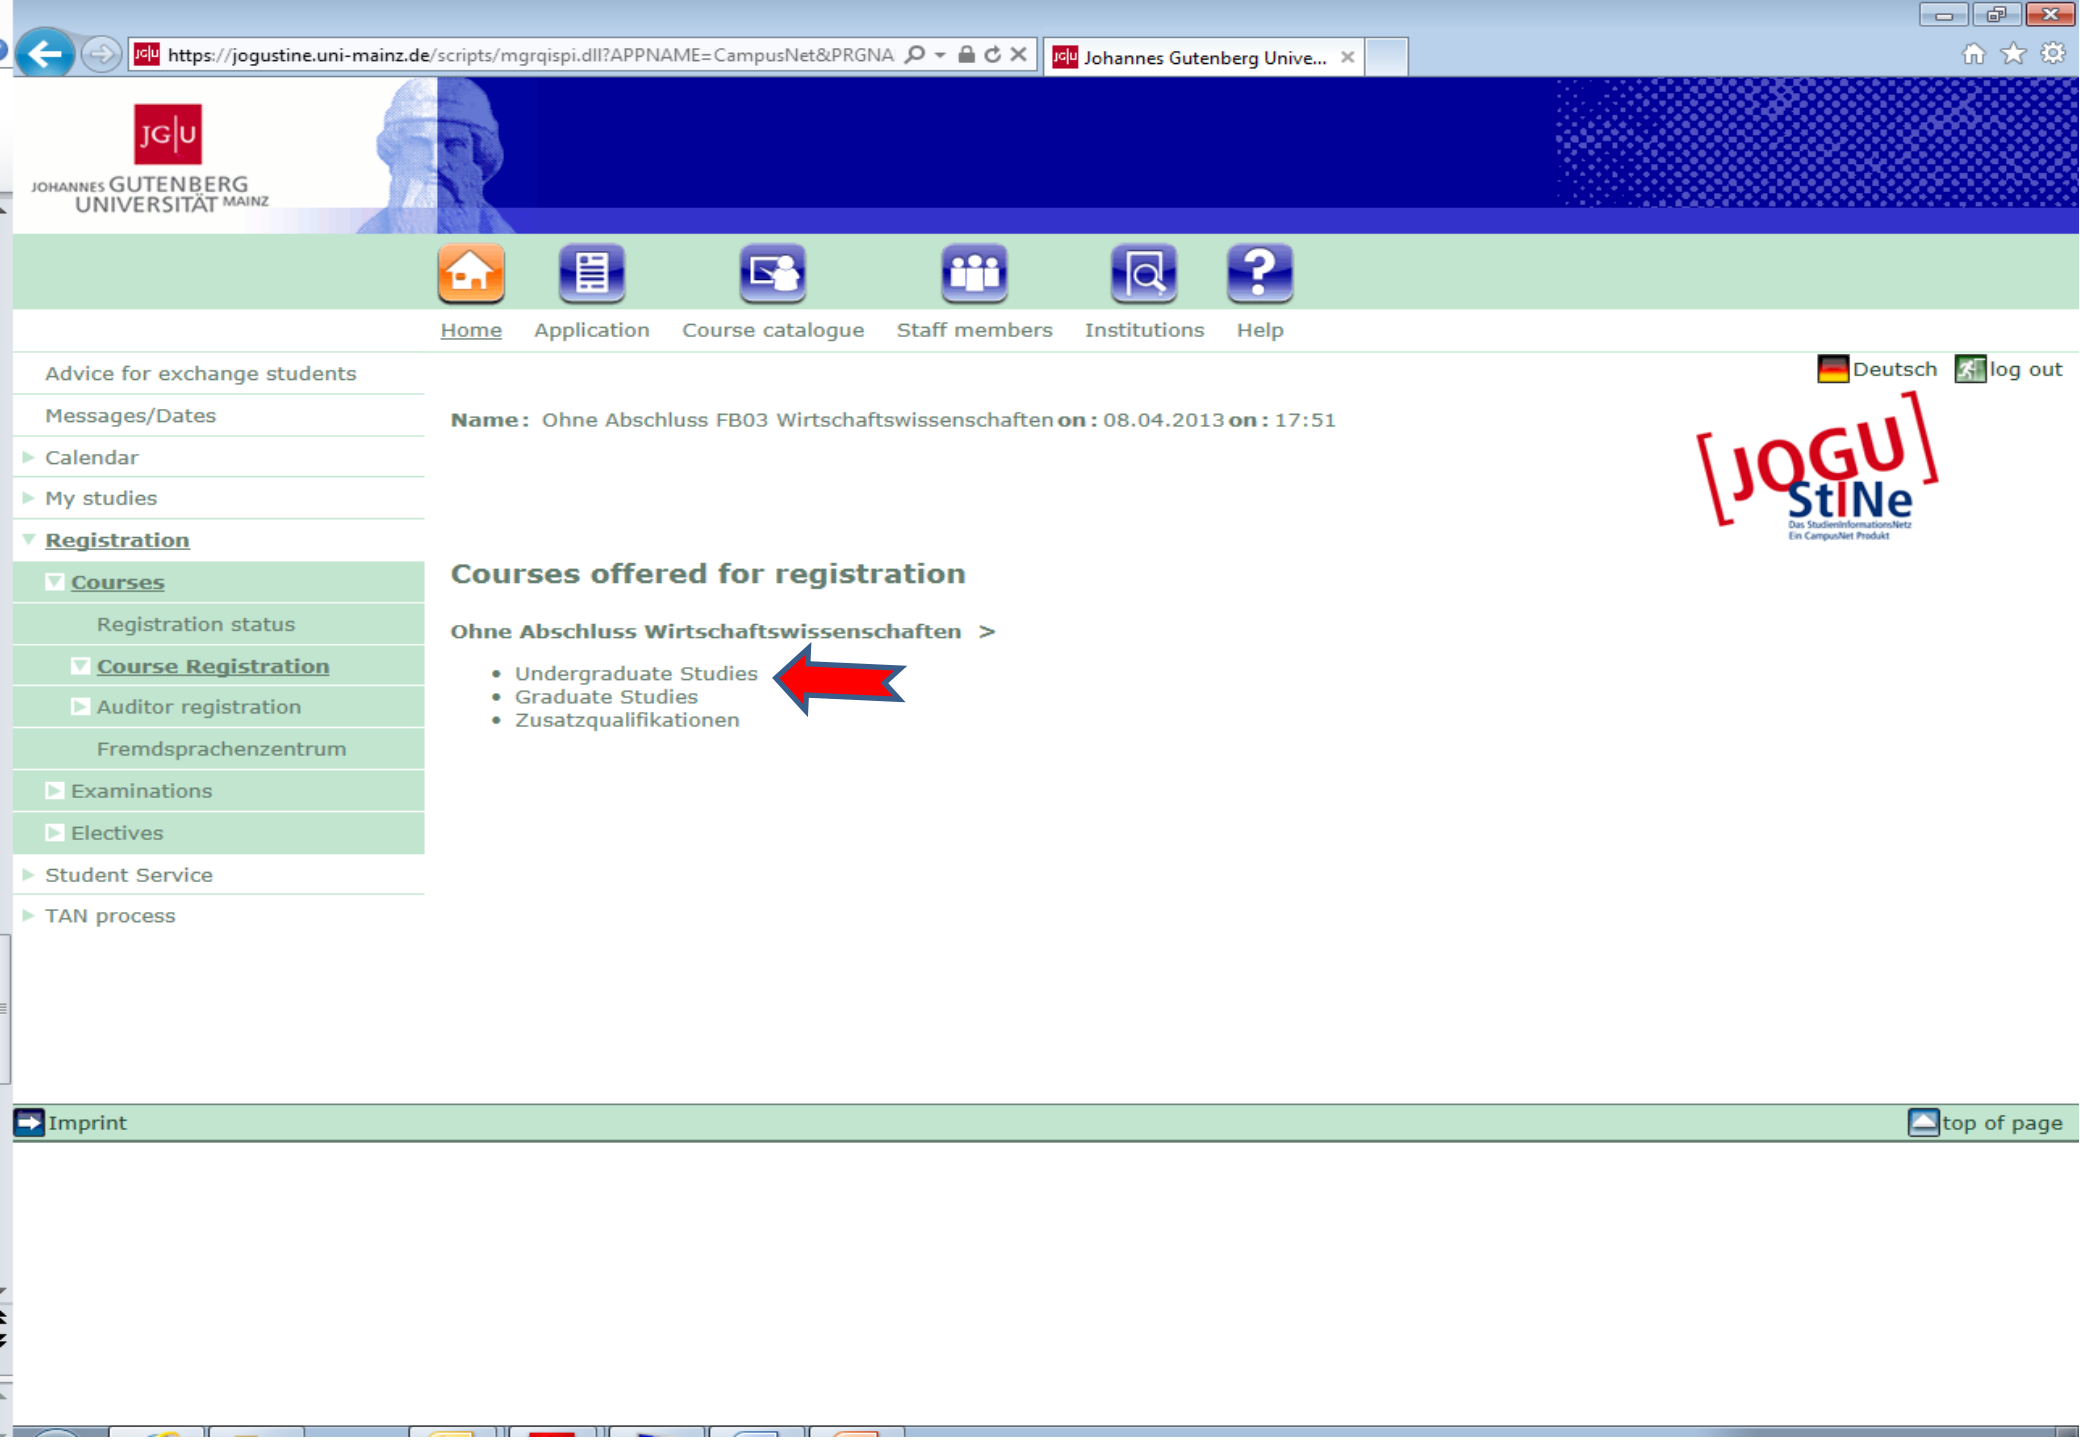

You can register for courses open to auditors of all faculties under **"Auditor registration" (Höreranmeldung)**. Please also see Section 26 of the registration regulations (Einschreibeordnung) ([http://www.uni-mainz.de/studlehr/ordnungen/Einschreibeordnung\\_2011\\_07\\_15\\_Aktuell.pdf](http://www.uni-mainz.de/studlehr/ordnungen/Einschreibeordnung_2011_07_15_Aktuell.pdf)).

**If you have limited mobility and want to participate in course events taking place in auditoriums that are not accessible for disabled students, please contact the Studienbüro responsible for your subject. You will find a list of student advising offices here: <http://www.info.jogustine.uni-mainz.de/studienbueros>.**
