XII. Housing

A/CROUS – Public Academic residences

Public Academic residences are administered by **CROUS (Centre Régional des Œuvres Universitaires et Scolaires) de Nice-Toulon**, **NOT by UNIVERSITY**. However, we will help you with the process of application for a room.

If you wish to apply for an university room of the CROUS, you have to apply for a Dossier Social étudiant on the following link :
<https://www.messervices.etudiant.gouv.fr/envole/enregistrement>

Once your file created, a provisional INE (National Student Identifier) will be given to you. Next, you will have to communicate this INE in the Application form.

We will then communicate your information to the CROUS, and we will keep you informed as soon as we have an answer regarding the allocation of rooms.

Beware ! Application to an university room does not guarantee to get one. Please keep on looking for an accomodation on your side.

It is also possible to search for an **individual accomodation**. You will have to do this research before your arrival in Nice. **The search for accomodation is not easy** : rents are high, places are rares (**from 550€/ month**, depending on the type of accomodation sought).

The International Relations Office will send you a form to finalize your application.

B/Other possibilities of accomodation

- <https://univ-cotedazur.studapart.com/fr/register/student>
- On this website partner with our university, you will find ads for studios, rooms in shared accomodations, homestays...

- 250 euros booking fee.
